SUSTAINABLE DEVELOPMENT GOALS

SDGs REPORT 2024-25

ACKNOWLEDGMENT AND FINAL NOTES

CHANCELLOR
Dr. Muhammad Iqbal Memon

VICE CHANCELLOR
Prof. Dr. Feroz Memon

- This report reflects our collective efforts toward achieving the Sustainable Development Goals (SDGs) for the year **2024-25**. We extend our sincere gratitude to all stakeholders, contributors, and team members whose dedication, commitment, and expertise have made this report a comprehensive and meaningful account of our sustainability initiatives.
- The University remains committed to continuous improvement, and your valuable feedback and suggestions will play a vital role in further strengthening our strategies and aligning them with global sustainability standards and best practices.
- Together, let us continue to work collaboratively toward building a more inclusive, resilient, and sustainable future for present and future generations.

ENHANCING SURGICAL EXPERTISE FOR IMPROVED HEALTH OUTCOMES: A WORKSHOP ON ADVANCED ENDOSCOPIC EAR AND NASAL SURGERIES

The paragraph aligns with Sustainable Development Goal (SDG) 3: Good Health and Well-Being. SDG 3 aims to ensure healthy lives and promote well-being for all ages. The workshop on advanced endoscopic ear and nasal surgeries, as part of a medical conference, promotes professional development and knowledge sharing in healthcare. By offering hands-on training on the latest surgical techniques, it directly contributes to improving medical care and outcomes, which are essential components of achieving good health and well-being.

ADVANCING QUALITY EDUCATION IN MEDICAL SCIENCES

Professor Dr. Azhar Iqbal, Principal of Indus Medical College The University of Modern Sciences, recently held a strategic meeting with the Faculty of Basic Sciences to strengthen the quality of education and align it with **Sustainable Development Goal 4: Quality Education**. The discussion centered on advancing the curriculum, adopting innovative teaching methods, and ensuring that students gain a robust, modern medical education. This commitment to fostering inclusive and high-quality learning experiences reflects the institution's dedication to developing skilled medical professionals equipped to address contemporary healthcare challenges.

ENHANCING QUALITY EDUCATION THROUGH HEC'S ACCREDITATION VISIT AT THE UNIVERSITY OF MODERN SCIENCES

On October 25, 2024, The University of Modern Sciences (TUMS) had the honor of welcoming an esteemed inspection team from the Higher Education Commission (HEC) for a comprehensive accreditation review. The distinguished delegation, led by Mr. Hazrat Bilal, Director HEC, included prominent figures such as Prof. Dr. Ikram ud Din Ujjan, Vice Chancellor of LUMHS, and senior HEC officials Mr. Muhammad Rizwan, Prof. Dr. Imamuddin Khoso, Mr. Muhammad Sadiq Ali Khan, and Ms. Parveen Akhtar. This high-level visit was organized to validate TUMS's adherence to academic standards and ongoing commitment to educational excellence.

Chancellor Dr. Muhammad Iqbal Memon and Vice Chancellor Prof. Dr. Feroz Memon introduced the inspection, showcasing the university's strategic advancements and dedication to quality education. Through a detailed department-wise evaluation, the HEC team assessed infrastructure, academic processes, and documentation to ensure alignment with HEC standards and quality benchmarks.

In a gesture of gratitude, Dr. Muhammad Iqbal Memon and Prof. Dr. Feroz Memon presented the HEC team with honorary shields and souvenirs, acknowledging their invaluable guidance. Key university leaders, including Pro-Vice Chancellor Engr. Qazi Faiz Muhammad, Registrar Mr. Mushtaq Qureshi, Controller of Examinations Mr. Nawaz Ali G. Bhutto, Dean of Academics Prof. Dr. Parveen Munshi, ORIC Director Prof. Dr. Khalida Naz Memon, and QEC Director Mr. Mohammad Nabeel Khan, joined in the event to reinforce TUMS's mission of providing an exceptional educational environment for students and faculty.

This pivotal visit marks a significant milestone in TUMS's journey toward academic distinction, underscoring its dedication to achieving and sustaining high standards in higher education.

EMPOWERING YOUTH THROUGH VOCATIONAL TRAINING: NAVTTC CERTIFICATE DISTRIBUTION AT INDUS MEDICAL COLLEGE, THE UNIVERSITY OF MODERN SCIENCES,

Indus Medical College celebrated a significant achievement in advancing **SDG Goal 4: Quality Education** and **SDG Goal 8: Decent Work and Economic Growth** with the successful distribution of NAVTTC certificates. Under the esteemed guidance of Chief Executive and Chancellor Dr. Muhammad Iqbal Memon, this ceremony recognized the dedication and accomplishments of students who excelled in vocational training programs. By equipping students with essential skills, the college is fostering career-ready graduates, promoting lifelong learning, and empowering individuals to contribute effectively to the workforce.

Congratulations to all certificate recipients!

YOUTH EMPOWERMENT SEMINAR BY DOHR AT UNIVERSITY OF MODERN SCIENCES & INDUS MEDICAL COLLEGE, THE UNIVERSITY OF MODERN SCIENCES

The University of Modern Sciences (UMS) and Indus Medical College (IMC), Tando Muhammad Khan, led by visionary Chancellor Dr. Muhammad Iqbal Memon, organized an impactful seminar on November 9, 2024, in partnership with the Development of Human Resources (DoHR). This seminar supported the United Nations Sustainable Development Goal (SDG) 4: Quality Education, focusing on empowering youth with skills in fields essential for Sindh's progress—such as Business Administration, Human Resources, Environmental Sciences, Artificial Intelligence, and Engineering.

The event featured esteemed speakers, including Dr. Muhammad Iqbal Memon, Chancellor of UMS; Mr. Muhammad Ali Samoon, Director of Development of Human Resources (Sindh); Dr. Erum Shaikh, Assistant Professor at Benazir Bhutto Shaheed University (Sanghar); Dr. Tehseen Fatima, Assistant Professor at Agricultural University (Tandojam); and Dr. Farhan Zaib, AI expert and Assistant Professor at the University of Sindh, Jamshoro. These experts emphasized the importance of quality education and professional training to equip youth with the capabilities to drive sustainable growth, aligning with SDG 8: Decent Work and Economic Growth.

The seminar concluded with awards celebrating outstanding educators—including Abdul Hamid Khatti, Muhammad Afzal Runjho, Hamad Qureshi, Noor Muhammad Pathan, Ishtiaq Abbasi, Taj Muhammad Runjho, AD Sehto, Arif Qureshi, and Apa Shakiza—recognizing their exceptional contributions to education. This acknowledgment exemplifies UMS and Indus Medical College's commitment to advancing education, empowering youth, and promoting lifelong learning in line with SDG 4 and SDG 8.

THE UNIVERSITY OF MODERN SCIENCES SHINES AT THE HEC INTER-VARSITY ZONE-K TABLE TENNIS TOURNAMENT 2024!

The University of Modern Sciences (UMS), led by Chancellor Dr. Muhammad Iqbal Memon and Vice Chancellor Prof. Dr. Feroz Memon, celebrated impressive achievements at the HEC Inter-Varsity Zone-K Table Tennis Tournament 2024. Special congratulations go to Fateh Hussain, a 3rd-year MBBS student, whose outstanding performance and sportsmanship were key to the team's success, especially in victories against SABS University, Jamshoro, and LUMHS Jamshoro. Although the journey concluded in a quarter-final match against IBA Sukkur, the team showcased remarkable skill, resilience, and a commitment to excellence in sports.

This success aligns with **SDG 3: Good Health and Well-being**, as UMS continues to prioritize physical fitness, mental resilience, and holistic development through sports. The leadership and guidance of Engr. Mustuaan Ahmed, Director of Sports, and Mr. Mohammad Ghous Nawaz, Sports Officer, were instrumental in driving this commitment forward. UMS remains dedicated to fostering a balanced, active, and inclusive student body, empowering students like Fateh to excel in both academics and extracurricular achievements, thereby promoting a culture of health and wellness across campus.

LIVE SURGICAL WORKSHOP ON LASER PROCTOLOGY: ADVANCING HEALTHCARE ACCESS AND QUALITY, THE UNIVERSITY OF MODERN SCIENCES

Join us for an advanced Laser Surgery Workshop, organized by the Department of Surgery at Indus Medical College/Hospital, on Tuesday, December 3, 2024!

 **Time:** 9 AM to 3 PM

 **Location:** Main OT, Indus Medical College Hospital, Tando Muhammad Khan, Sindh

This workshop aligns with **SDG 3: Good Health and Well-being**, emphasizing access to innovative medical procedures and professional training that enhances patient care quality. It will cover:

◆ Laser Hemorrhoid Surgery ◆ Laser Fistula Surgery ◆ Laser Pilonidal Sinus Surgery ◆ Laser Anal Fissure Surgery

 **Led by renowned experts:** Master Trainer: Prof. M. Asif Qureshi Organizer: Prof. Abdus Ghafoor Dalwani

Course Coordinator: Dr. Shahnawaz Abro **Coordinator:** Dr. Iqra

Special Guests include:

 **Dr. M. Iqbal Memon** – Chief Guest  **Prof. Feroz Memon** – Guest of Honor

Workshop Highlights & Benefits:

• Faster Recovery, Discharge within 24 Hours, Minimal Bleeding, No Dressing Required

This workshop promotes **affordable healthcare solutions** and contributes to **capacity-building** in surgical practices, supporting sustainable health outcomes for all.

 **For Free Registration:** WhatsApp: 0301-3503413 Email: dr_smghano@yahoo.com

The poster is titled "LIVE SURGICAL WORKSHOP" and "LASER PROCTOLOGY: ADVANCE LASER SURGERY FOR HEMORRHOIDS | FISTULA | FISSURE". It is organized by the "DEPARTMENT OF SURGERY" at "Indus Medical College/Hospital, Tando Muhammad Khan, Sindh" on "Tuesday 3rd December 2024" from "9 am to 3 pm". The location is "Main OT Indus Medical College Hospital". It lists "SPEAKERS" including Prof. M. Asif Qureshi, Prof. Abdus Ghafoor Dalwani, and Dr. Shahnawaz Abro. It also lists "SPECIAL GUESTS" including Dr. M. Iqbal Memon and Prof. Feroz Memon. The poster highlights "BENEFITS" such as faster recovery, discharge within 24 hours, minimal bleeding, and no dressing required. It also lists "ADVANTAGES" like laser surgery, minimal bleeding, and no dressing required. The poster includes a "For Free Registration" section with the phone number "0301-3503413" and email "dr_smghano@yahoo.com". It also mentions "Surgical Training Partner" as "Popular International (Pvt) Ltd.".

UNIVERSITY OF MODERN SCIENCES PROMOTES SDG 4 BY SUPPORTING LOCAL STUDENTS AT GOVERNMENT HIGH SCHOOL GBPS SHOUKAT COLONY, TMK

On Wednesday, November 6, 2024, Dr. Muhammad Iqbal Memon, Chancellor of the University of Modern Sciences, led a significant visit to Government High School GBPS Shoukat Colony in Tando Muhammad Khan. During the visit, he distributed new shoes and thoughtful gifts to the students, bringing joy and encouragement to foster a positive learning environment. He was accompanied by a distinguished delegation, including Prof. Dr. Parveen Munshi (Dean of Academics), Mr. Mohammad Nabeel Khan (Director of QEC), and Engr. Mustuan Ahmed (Additional Project Director).

The university team also engaged in a productive dialogue with the school's administration, focusing on collaborative efforts to enhance educational resources and opportunities. This outreach aligns with SDG 4: Quality Education, demonstrating the University of Modern Sciences' commitment to strengthening community partnerships and supporting equitable access to educational resources. By investing in students' well-being and educational opportunities, the university is fostering a brighter future for local youth and empowering them to pursue their academic aspirations.

UNIVERSITY OF MODERN SCIENCES PROMOTES SDG 3 IN ONGOING HEC INTER-VARSITY ZONE-K TABLE TENNIS TOURNAMENT 2024

The University of Modern Sciences (UMS) extends heartfelt gratitude to Dr. Muhammad Iqbal Memon, Chancellor, and Prof. Dr. Feroz Memon, Vice Chancellor, for their unwavering support and encouragement, which has played a pivotal role in the team's achievements at the HEC Inter-Varsity Zone-K Table Tennis Tournament 2024 (Men). Organized by SABS University of Art, Design & Heritages, Jamshoro, in collaboration with the Higher Education Commission (HEC), this tournament offers a valuable platform for students to demonstrate skill, resilience, and sportsmanship. UMS's team has made an impressive start, securing victories in their initial matches. They won the 1st Group Match against SABS University, Jamshoro, showcasing determination and skill, and continued their winning streak by emerging victorious in the 2nd Round Final against Liaquat University of Medical & Health Sciences (LUMHS), Jamshoro. Led by Engr. Mustuaan Ahmed Memon, Director of Sports, and Mr. Muhammad Ghous Nawaz, Sports Officer, the team benefits from experienced guidance and strong motivation. The university's active participation and success in this tournament align with SDG 3: Good Health and Well-being, as it promotes physical activity, teamwork, and holistic development among students. As the tournament continues, UMS remains committed to fostering well-rounded individuals through sports and fitness, wishing the team further success and continued excellence.

DRIVING EXCELLENCE THROUGH SDG 4: INDUS MEDICAL COLLEGE ANNOUNCES KEY LEADERSHIP & FACULTY DEVELOPMENT INITIATIVES, TUMS

Today, Dr. Muhammad Iqbal Memon, Chancellor and Chief Executive of Indus Medical College and Hospital/TUMS, led a significant meeting with the faculty, aligning institutional priorities with the Sustainable Development Goals (SDGs). During this session, he shared updates to foster an environment of excellence in healthcare and education:

Gratitude for Service: Dr. Memon expressed deep appreciation for Professor Dr. Feroz Memon's dedication and impact throughout his tenure as Principal, recognizing his contributions to both medical education and institutional growth.

Leadership Announcements: Welcoming Professor Dr. Azhar Iqbal as the new Principal and Professor Dr. Umair Soomro as Vice Principal, the institution looks forward to their leadership in driving innovative, quality education in line with SDG 4: Quality Education.

Healthcare and Salary Enhancements: Provisional funds and healthcare insurance facilities have been introduced for faculty members, promoting well-being in alignment with SDG 3: Good Health and Well-being. Additionally, a well-deserved salary increase for faculty and staff demonstrates the institution's commitment to recognizing contributions and supporting its educational mission.

Professional Development in Health Professions Education: Certificates were awarded to faculty who successfully completed the Certificate in Health Professions Education (CHPE), emphasizing continuous growth in teaching excellence.

Dr. Muhammad Iqbal Memon's vision and commitment underscore the institution's dedication to educational excellence, healthcare, and faculty well-being. Together, these initiatives pave the way for a brighter future at Indus Medical College and Hospital.

PROMOTING HEALTH AND WELL-BEING: GRAND SEMINAR ON BREAST CANCER AWARENESS AT THE UNIVERSITY OF MODERN SCIENCES

Aligned with SDG 3: Good Health and Well-Being, The University of Modern Sciences (TUMS) hosted a transformative seminar on breast cancer awareness, under the leadership of Chief Executive and Chancellor Dr. Muhammad Iqbal Memon and Principal/Vice-Chancellor Prof. Dr. Feroz Memon. This impactful event brought together experts, students, and advocates to raise awareness on the importance of early detection, prevention, and support for those affected by breast cancer.

The seminar, with the theme "No One Should Face Breast Cancer Alone," highlighted the critical need for a compassionate, collaborative approach to addressing breast cancer. It sought to reduce stigma, provide vital information, and foster a supportive community for individuals affected by this disease. Through collective efforts, TUMS aims to empower individuals with knowledge and hope, creating a future where breast cancer is no longer faced in isolation, but with solidarity and care.

EMPOWERING EDUCATION WITH SUFISM: A STEP TOWARDS PEACE AND INCLUSIVITY

🌍 Dr. Muhammad Iqbal Memon, Chancellor of The University of Modern Sciences, spearheaded the transformative Sufism Curriculum Development Conference 2024 held on November 20, 2024, at Marriott Hotel, Karachi. This groundbreaking event, organized by the Center of Knowledge Development in collaboration with the Ministry of Universities and Boards, Government of Sindh, brought together influential leaders, scholars, and policymakers to integrate Sufism's principles of peace, inclusivity, and wisdom into modern education. Presided over by His Excellency Mr. Rais Mohammad Ali Malkani, Minister of Universities and Boards, and attended by esteemed figures such as Mr. Syed Zulfiqar Ali Shah, Minister of Culture, Tourism, Heritage, and Archives, and Mr. Prem Mathrani, Founder & CEO of the Center of Knowledge Development, the conference aimed to inspire a transformative educational framework for a harmonious society. Dr. Muhammad Iqbal Memon's active participation underscores the University of Modern Sciences' dedication to advancing SDG 4: Quality Education, by promoting inclusive and equitable learning, and SDG 16: Peace, Justice, and Strong Institutions, by fostering a culture of mutual understanding, coexistence, and resilience. This initiative paves the way for a values-based education system that embraces diversity and nurtures global citizens.

EMPOWERING MEDICAL EXCELLENCE: LUMBAR PUNCTURE WORKSHOP AT SKILL LABS, IMC THE UNIVERSITY OF MODERN SCIENCES, TMK

The Preconference Workshop on Lumbar Puncture, hosted by the Medicine and Allied Department at Indus Medical College Hospital, was successfully conducted at the Skill Labs. Expertly led by Dr. Sadia Nizamani, Assistant Professor in the department, the workshop offered invaluable training to participants, focusing on best practices and advanced techniques for lumbar puncture. This event aligns with SDG 4: Quality Education by fostering professional growth and providing practical, lifelong learning opportunities for healthcare practitioners. Additionally, it supports SDG 3: Good Health and Well-being by enhancing medical competencies critical to patient care. Dr. Muhammad Iqbal Memon, Chief Executive and Chancellor, emphasized the significance of such workshops in promoting quality medical education. Professor Dr. Feroz Memon, Vice-Chancellor, commended participants for their dedication to academic excellence and skill enhancement. Heartfelt gratitude goes out to all contributors for making this workshop a success. Together, let's continue advancing medical education and professional development!

TUMS PROMOTING QUALITY EDUCATION AND HEALTH INNOVATIONS: SDG 3&4

The Department of Radiology Technology at Indus Medical College, in collaboration with the University of Modern Sciences, successfully hosted a dynamic Pre-Conference Workshop on “Radiological Imaging” on November 26, 2024. This initiative was part of the 4th Annual Conference of Indus Medical College and highlights the institution’s commitment to the Sustainable Development Goals (SDGs), particularly SDG 4: Quality Education and SDG 3: Good Health and Well-Being.

The workshop brought together distinguished experts, including:
Prof. Dr. Ghulam Qadir Buledi: Advanced Pediatric Chest Tumor Diagnosis
Assistant Prof. Dr. Ghazala Shaheen: Evaluating Ovarian Cysts - A Strategic Roadmap
Dr. Abid Sehto: Radiological Approaches to Obstructive Jaundice
Assistant Prof. Dr. Sajjad Ahmed Memon: Innovations in Modern Diagnostic Imaging

The event was graced by Chief Guest Dr. Munir Ahmed Junejo, an eminent professor of Diagnostic Radiology, alongside Vice Chancellor Prof. Dr. Feroz Memon, who inaugurated the sessions with an insightful address.

Special recognition was extended to Dr. Adeeba Iqbal Memon, Head of the Radiology Department, for her exceptional leadership in organizing this impactful event. The event’s success underscores the university’s dedication to fostering academic excellence and health sector advancements.

Such initiatives reflect the university's role in achieving SDG 4 by providing cutting-edge education and SDG 3 by contributing to improved healthcare through innovative diagnostics. Stay tuned for more transformative academic activities!

SUCCESSFUL WORKSHOP ON MANUAL THERAPY: MYOFASCIAL TRIGGER POINT RELEASE IN THE UPPER TRAPEZIUS MUSCLE! TUMS SDG-03

The Department of Physical Therapy (DPT) at the University of Modern Sciences, in collaboration with Indus Medical College, successfully conducted a high-impact workshop titled “Manual Therapy: Myofascial Trigger Point Release in the Upper Trapezius Muscle”, led by the esteemed Dr. Nadeem Khalid. This initiative is strongly aligned with Sustainable Development Goal 3 (SDG 3): Good Health and Well-Being, which emphasizes ensuring healthy lives and promoting well-being for all. By introducing advanced therapeutic techniques and evidence-based clinical practices, the workshop contributed directly to SDG Target 3.8, which focuses on strengthening healthcare services and enhancing quality care delivery. Dr. Muhammad Iqbal Memon, Chief Executive and Chancellor, expressed profound appreciation for the Department of Physical Therapy’s continued commitment to innovation and excellence in healthcare education. He commended the department for its initiatives that advance clinical skills and contribute to building healthier, more resilient communities—an essential aspiration of SDG 3. Professor Dr. Feroz Memon, Vice-Chancellor, extended heartfelt gratitude to the organizing team for their dedication and professionalism, which ensured the workshop’s outstanding success. He also acknowledged the active participation of faculty, students, and professionals who created a dynamic and enriching learning environment. Through such capacity-building workshops, the University of Modern Sciences reaffirms its mission to develop competent healthcare practitioners equipped with cutting-edge knowledge and clinical expertise. These efforts reflect the University’s strategic alignment with global development priorities, particularly SDG 3, as it strives to enhance health outcomes and promote sustainable well-being within the community. Stay connected for more transformative initiatives that continue to strengthen healthcare education and contribute meaningfully to sustainable development and global health advancement.

The Pre-Conference Workshop, titled "Right Care at the Right Time," organized by the Indus College of Nursing, took place on November 25, 2024, at Indus Medical College, Tando Muhammad Khan. This workshop aligns with Sustainable Development Goal 3: Good Health and Well-being, as it focused on equipping nursing professionals with critical skills to provide timely and effective patient care, contributing to improved healthcare outcomes and system efficiency.

We extend our heartfelt gratitude to:

- 💡 Chief Guest: Dr. Muhammad Iqbal Memon
- 💡 Guest of Honor: Prof. Dr. Feroz Memon
- 💡 Facilitator: Mr. Abdul Karim Bhiyoon
- 💡 Lead Organizer: Ms. Shahnaz Keerio

A special thank you to all the participants for their enthusiasm and dedication, which made this workshop a resounding success. Together, we are advancing specialized nursing care and fostering a culture of excellence in medical and teaching institutions.

As we look forward to the 4th Annual Conference of Indus Medical College on December 4-5, 2024, stay tuned for more updates and initiatives that support the sustainable development of healthcare education and practices.

UNIVERSITY OF MODERN SCIENCES STUDENTS EXPLORE ENTREPRENEURIAL INSIGHTS AT GLOBAL ENTREPRENEURSHIP WEEK 2024 GRAND FINALE

On November 21, 2024, the University of Modern Sciences (TUMS) actively participated in the Grand Finale of *Global Entrepreneurship Week (GEW) 2024* at the National Incubation Center (NIC), Hyderabad. Led by Mr. Mohammad Nabeel Khan, Director of QEC, students from Nursing, BBA, IT, and DPT departments delved into an inspiring realm of **innovation, leadership, and sustainable growth**.

The event featured a dynamic session on "*Digital Brand Building Masterclass*" by Mr. Muhammad Ghayas Uddin, where students gained invaluable insights into creating impactful online narratives. The *Startup Expo* further highlighted cutting-edge solutions by NIC's innovative startups, showcasing real-world applications of entrepreneurial ideas.

These experiences resonate strongly with:

- SDG 4: Quality Education**, by promoting access to entrepreneurial knowledge and skill-building;
- SDG 8: Decent Work and Economic Growth**, by encouraging pathways to sustainable employment and economic resilience; and
- SDG 9: Industry, Innovation, and Infrastructure**, by fostering creativity and supporting the startup ecosystem.

An enlightening tour of NIC Hyderabad and meaningful discussions with visionary entrepreneurs fueled the students' passion for innovation and sustainable development. Together, the University of Modern Sciences is empowering future leaders to drive **creative solutions** and make a lasting **global impact**.

THE UNIVERSITY OF MODERN SCIENCES STUDENTS EXPLORE ENTREPRENEURIAL INSIGHTS AT GLOBAL ENTREPRENEURSHIP WEEK 2024 GRAND FINALE

On November 21, 2024, the University of Modern Sciences (TUMS) actively participated in the Grand Finale of Global Entrepreneurship Week (GEW) 2024 at the National Incubation Center (NIC), Hyderabad. Led by Mr. Mohammad Nabeel Khan, Director QEC, students from Nursing, BBA, IT, and DPT departments immersed themselves in an inspiring ecosystem of **innovation, leadership, and sustainable economic development**.

A highlight of the event was the “**Digital Brand Building Masterclass**” conducted by **Mr. Muhammad Ghayas Uddin**, where students gained practical insights into crafting impactful digital identities—skills that directly enhance employability and entrepreneurial potential. The **Startup Expo** showcased cutting-edge solutions by NIC’s emerging startups, demonstrating how innovative ideas can be transformed into sustainable business ventures.

This engagement is strongly aligned with **Sustainable Development Goal 8 (SDG 8): Decent Work and Economic Growth**, which emphasizes promoting sustained, inclusive, and sustainable economic progress, productive employment, and entrepreneurship. By exposing students to real-world entrepreneurial environments, strengthening their digital branding competencies, and encouraging participation in innovation-driven initiatives, the University of Modern Sciences is fostering pathways toward **economic resilience, youth employment, and future-ready skills**—core targets of SDG 8.

An enlightening tour of NIC Hyderabad, combined with meaningful discussions with visionary entrepreneurs, further ignited students’ passion for innovation, economic empowerment, and sustainable development.

Together, the **University of Modern Sciences** continues to empower future leaders to drive **creative solutions**, strengthen the **innovation economy**, and make a lasting **global impact** aligned with SDG 8.

THE UNIVERSITY OF MODERN SCIENCES EXCELS AT PRIME MINISTER UNIVERSITY SPORTS OLYMPIAD 2024!

With the unwavering support of Chancellor Dr. Muhammad Iqbal Memon, Vice Chancellor Prof. Dr. Feroz Memon, Director of Sports Engr. Mustuaan Ahmed Memon, and Sports Officer & Coach Mr. Muhammad Ghous Nawaz, the University of Modern Sciences (TUMS) proudly participated in the 46th Athletics Event at the prestigious Prime Minister University Sports Olympiad 2024 held in Islamabad. Representing Indus College of Nursing, talented students Muhammad Awais and Shahzad Ali demonstrated exceptional skill, determination, and sportsmanship. Their remarkable performance reflects the university's strong commitment to nurturing student potential and promoting excellence beyond the classroom. This achievement is strongly aligned with Sustainable Development Goal 17 (SDG 17): Partnerships for the Goals, which emphasizes strengthening collaboration, fostering institutional linkages, and building collective efforts for sustainable progress. By participating in a national-level sports Olympiad that unites universities from across the country, TUMS reinforces the power of strategic partnerships, inter-institutional cooperation, and shared learning—all essential elements of SDG 17. Through such collaborative platforms, the University of Modern Sciences continues to advance its mission of contributing to national development, strengthening networks, and supporting joint efforts that drive long-term societal impact.

MR. MOHAMMAD NABEEL KHAN, DIRECTOR QEC OF THE UNIVERSITY OF MODERN SCIENCES (TUMS), RECOGNIZED FOR EXPERTISE IN ACADEMIC EVALUATION

Mr. Mohammad Nabeel Khan, Director of the Quality Enhancement Cell (QEC) at TUMS, was honored to serve as an **Expert Evaluator** for the Final Year Thesis Presentations of the **BBA 20th Batch** at the **Mehran University Institute of Science & Technology Development (MUISTD)**, Jamshoro. This academic milestone, held on **27th November 2024** at the MUISTD Auditorium, reflected a shared commitment to strengthening academic rigor, research culture, and real-world learning.

During the evaluations, Mr. Khan appreciated the outstanding efforts of the students and their supervisors, particularly acknowledging the successful transformation of Final Year Projects (FYPs) into viable entrepreneurial ventures. Many of these projects have reached impressive levels of maturity and sustainability, demonstrating the power of quality education in nurturing innovation and preparing students for real-world challenges. This initiative is strongly aligned with **Sustainable Development Goal 4 (SDG 4): Quality Education**, which emphasizes inclusive and equitable education, enhancement of learning outcomes, and the development of skills essential for employment, entrepreneurship, and lifelong learning. By promoting research-based learning, encouraging problem-solving approaches, and integrating industry-oriented practices into academic programs, this activity embodies the core principles of SDG 4. In his concluding remarks, Mr. Nabeel Khan extended heartfelt gratitude to **Prof. Dr. Asif Ali Shah**, Director MUISTD, and the organizing team for hosting this impactful and academically enriching session. He highlighted the crucial role of rigorous academic research in bridging the gap between theory and practice, empowering students to become competent professionals and thoughtful contributors to society. This collaboration between institutions underscores the transformative potential of quality education and reinforces TUMS's mission to align its academic practices with global educational priorities under **SDG 4**.

TUMS EMPOWERING HEALTH PROFESSIONALS THROUGH ECG WORKSHOP, SDG-03

As part of the 4th Annual Conference of Indus Medical College, a pre-conference workshop titled "*Basics of ECG*" was held under the visionary leadership of Dr. Muhammad Iqbal Memon, Chief Executive and Chancellor. This insightful session, organized by the Department of Cardiology, aimed to enhance the knowledge and skills of healthcare professionals, aligning with **SDG Goal 3: Good Health and Well-being** by fostering quality healthcare education.

Facilitated by Dr. Fariha Sadiq Ali, Director of Electrophysiology and Arrhythmia Services at Tabba Heart Institute, Karachi, the workshop provided participants with a comprehensive understanding of ECG interpretation and its practical applications. The session underscored the significance of early diagnosis and effective patient management, contributing to the promotion of accessible and quality healthcare.

Special thanks to our esteemed organizers:

- **Prof. Dr. Feroz Memon** (Vice Chancellor & Professor of Cardiology)
- **Dr. Muhammad Zaman Baloch** (Associate Professor of Cardiology)
- **Dr. Javeria Amjad** (Senior Registrar, Department of Cardiology)

The workshop concluded on a high note, equipping participants with foundational knowledge in ECG interpretation and practical skills essential for better patient care. This initiative reflects our commitment to advancing health education and contributing to the well-being of communities.

Stay tuned for more updates from the Annual Conference!

ACADEMIC EXCELLENCE THROUGH COLLABORATIVE INNOVATION AT INDUS MEDICAL COLLEGE, THE UNIVERSITY OF MODERN SCIENCES, SDG-04

In a significant stride towards advancing quality education, the Principal of Indus Medical College, **Professor Dr. Azhar Iqbal**, convened an academic meeting focusing on curriculum development and assessment strategies. Chaired by **Dr. Muhammad Iqbal Memon** (Chief Executive and Chancellor) and **Professor Dr. Feroz Memon** (Vice-Chancellor), the session embodied the institution's commitment to nurturing future healthcare professionals through excellence and innovation, aligning with **SDG Goal 4: Quality Education**.

This pivotal gathering emphasized refining academic frameworks to ensure the highest standards in medical education. With invaluable input from esteemed faculty members, the meeting adopted a collaborative approach to enhancing curriculum design and assessment methodologies, fostering a culture of continuous improvement and knowledge-sharing.

Such initiatives reflect Indus Medical College's unwavering dedication to providing inclusive and equitable quality education, empowering students with the skills and competencies required to excel as compassionate and competent healthcare providers.

By prioritizing academic innovation, the institution continues to contribute to building a skilled and informed healthcare workforce, supporting global efforts toward improved health and education systems.

PRE-CONFERENCE WORKSHOP: ADVANCING CHILD HEALTHCARE, SDG-03

We are thrilled to announce the successful completion of the Pre-Conference Workshop: Right Care at the Right Time, organized by the Department of Pediatrics. The session focused on Counseling Skills for Newborn and Child Health: The Role of Healthcare Providers, emphasizing the critical role of early intervention in enhancing child healthcare outcomes and supporting SDG Goal 3: Good Health and Well-being.

Our heartfelt gratitude goes to Ms. Fatima Soomro (CHPE, MSN, BSN, Lecturer at People's Nursing School, LUMHS) for her insightful and interactive facilitation. We also extend special thanks to Prof. Dr. Muhammad Akbar Nizamani, Head of the Pediatrics Department, for his visionary leadership and unwavering support in making this workshop a success.

This impactful workshop equipped participants with essential counseling skills to promote better health outcomes for children, showcasing the University of Modern Science's dedication to fostering innovation and capacity-building in healthcare education.

Stay tuned for updates on the upcoming 4th Annual Conference of Indus Medical College, where we will continue to champion initiatives that advance health and well-being for all.

THE UNIVERSITY OF MODERN SCIENCES LAUNCHES THE "TALENT HUNT PROGRAM 2025" SDG-10

Under the visionary leadership of the Honorable Chancellor, Dr. Muhammad Iqbal Memon, and the esteemed Vice Chancellor, Prof. Dr. Feroz Memon, the University of Modern Sciences (UMS) has officially launched the transformative "Talent Hunt Program 2025". This initiative, spearheaded by Prof. Dr. Ghulam Ali Jariko, Dean of the Faculty of Business & Management Sciences, and Prof. Dr. Murad Khatoon, Chairperson of the Department, reflects the university's commitment to promoting inclusive and equitable education.

During visits to Govt. Girls Degree College and Mir Ghulam Ali Khan Talpur Govt. Boys Degree College in Tando Muhammad Khan, the delegation engaged with principals Prof. Shazia Akhund and Prof. Pir Arshad Jan Sirhindi to share the program's vision. Aligned with SDG 4: Quality Education and SDG 10: Reduced Inequalities, this initiative aims to identify talented, deserving, and underprivileged students, providing them with scholarships and resources to overcome financial barriers, pursue higher education, and contribute meaningfully to societal progress.

The university delegation plans to visit additional colleges across the region to promote this scholarship program and strengthen collaborations with educational institutions. These efforts seek to ensure widespread awareness and accessibility for underserved communities, fostering a culture of inclusivity and empowerment.

Prof. Dr. Ghulam Ali Jariko and Prof. Dr. Murad Khatoon emphasized UMS's unwavering commitment to fostering opportunities for students, particularly from marginalized backgrounds, and driving positive change through impactful educational initiatives.

THE UNIVERSITY OF MODERN SCIENCES, PIONEERING DIGITAL EXCELLENCE IN MEDICAL EDUCATION: ADVANCING SDG 4 THROUGH INNOVATION

The University of Modern Sciences, through its affiliate, Indus Medical College, is at the forefront of advancing quality education by integrating cutting-edge technology into its academic systems. Under the visionary leadership of Prof. Dr. Ikram Din Ujjan, Vice-Chancellor of Liaquat University of Medical & Health Sciences (LUMHS), and Dr. Muhammad Iqbal Memon, Chief Executive of Indus Medical College, the institution achieved a major milestone on December 2, 2024, by conducting computer-based paperless examinations for MBBS students, from first to final year. This transformative initiative underscores the university's commitment to promoting innovative, efficient, and transparent academic practices, setting new benchmarks in medical education. The establishment of a state-of-the-art IT resource center provides students and faculty with seamless access to digital resources, fostering a progressive learning and research environment. These efforts directly contribute to the United Nations Sustainable Development Goal 4 by ensuring inclusive, equitable, and high-quality education while equipping students with the digital skills required for the future.

THE UNIVERSITY OF MODERN SCIENCES, EMPOWERING FUTURES: EXPLORING CAREER OPPORTUNITIES WITH THE PAKISTAN NAVY,

The University of Modern Sciences (TUMS) and Indus Medical College, in collaboration with the Pakistan Navy, hosted an **Awareness and Motivational Session** on "Career Opportunities in the Pakistan Navy" on December 3, 2024, at the **Qazi Mazhar Hussain Auditorium**, Tando Muhammad Khan. This engaging session, led by **Commander Asif Raza**, Officer Incharge of the Pakistan Navy, provided invaluable insights into the avenues for meaningful employment and national service within the naval forces.

The event was graced by the presence of the Chancellor and CEO, **Dr. Muhammad Iqbal Memon**, and Vice-Chancellor, **Prof. Dr. Feroz Memon**, who honored Commander Asif Raza with a commemorative shield and souvenir. In a reciprocal gesture, Commander Raza presented a special souvenir to **Dr. Durdana Asif**, Additional Registrar & Administrative Officer, for her dedication to organizing this impactful event.

The session drew a large audience of students, faculty, and staff, creating a vibrant platform to promote **decent work opportunities and economic growth** through careers in the Pakistan Navy. Attendees were inspired to explore dynamic pathways to contribute to the nation's development, reflecting the university's commitment to fostering **skill development and professional growth**, in line with **SDG 8**.

THE UNIVERSITY OF MODERN SCIENCES, ADVANCING PATIENT CARE: WORKSHOP ON LASER PROCTOLOGY AND MODERN SURGICAL TECHNIQUES

The University of Modern Sciences hosted a successful Workshop on Laser Proctology, highlighting advanced laser surgery techniques for hemorrhoids, fistula, and fissure. Led by the esteemed Prof. Dr. M. Asif Qureshi, Professor of Surgery at Liaquat College of Medicine and Dentistry and Darul Sehat Hospital, Karachi, and organized by Prof. Dr. Altaf Talpur and Prof. Dr. Ghafoor Dalwani, the workshop delivered cutting-edge training in minimally invasive proctology. This event provided participants with invaluable hands-on experience and deep insights into modern surgical techniques aimed at improving patient outcomes and recovery times. By exploring the latest advancements in laser surgery, the workshop demonstrated the university's commitment to advancing healthcare excellence. The initiative aligns with SDG 3: Good Health and Well-Being by equipping medical professionals with state-of-the-art skills to enhance treatment quality and ensure better health services for communities.

CELEBRATING EXCELLENCE: THE INAUGURAL DINNER OF THE 4TH ANNUAL INDUS MEDICAL & THE UNIVERSITY OF MODERN SCIENCES CONFERENCE

The University of Modern Sciences, in collaboration with Indus Medical College, proudly commenced the 4th Annual Conference with an elegant inaugural dinner held at Kababjee Banquet. This remarkable gathering celebrated academic and professional excellence, bringing together esteemed dignitaries and influential leaders from diverse sectors. Under the visionary leadership of Dr. Muhammad Iqbal Memon, Chancellor & CEO, and Prof. Dr. Feroz Memon, Vice-Chancellor, the evening served as a platform for meaningful collaboration and shared commitment to advancing healthcare and education. Distinguished guests—including government officials, military representatives, healthcare professionals, and academic experts—contributed to the event's inspiring and impactful atmosphere. The presence of notable personalities such as Mr. Muhammad Shamim Murtaza, Commissioner, Federal Board of Revenue; Brig. Khurram Sarfaraz; Lt. Col. Jeevraj; and Lt. Col. Muneer Ahmed Chana, among others, underscored the event's significance. Their dedication to promoting progress in education, healthcare, and community development was greatly appreciated. This conference inauguration strongly aligns with Sustainable Development Goal 17 (SDG 17): Partnerships for the Goals, as it exemplifies the power of strategic collaborations across institutions, sectors, and professions. By bringing together leaders from government, academia, healthcare, and the military, the University of Modern Sciences reinforces its commitment to fostering partnerships that drive sustainable societal advancement. The university expresses heartfelt gratitude to all attendees and contributors whose support enriched this memorable evening. With continued collaboration and shared vision, the University of Modern Sciences looks forward to further strengthening its mission of societal betterment in alignment with global development priorities.

ADVANCING MEDICAL EDUCATION AND INNOVATION: HIGHLIGHTS FROM THE 4TH ANNUAL CONFERENCE IMC & TUMS SDG-17

The 4th Annual Conference of Indus Medical College and the University of Modern Sciences, Tando Muhammad Khan, successfully convened, marking a pivotal milestone in advancing medical education, research, and professional collaboration. This landmark event highlighted the institution's ongoing dedication to academic excellence, fostering innovation, and expanding the frontiers of medical knowledge. Renowned medical professionals graced the occasion, offering transformative insights and cultivating meaningful discussions that bridged theoretical knowledge with practical application. Chaired by Chancellor & CEO Dr. Muhammad Iqbal Memon and Vice-Chancellor Professor Dr. Feroz Memon, the conference embodied visionary leadership that continues to guide institutional growth and progress. Structured into seven comprehensive sessions, the conference featured distinguished speakers, including: Professor Dr. Javed Akram – Minister of Health, Punjab; Professor Dr. Saeed Sadik Hameed – Gastroenterologist, Aga Khan University; Professor Dr. Inam Pal – Professor of Surgery, Aga Khan University; Professor Dr. Iqbal Udaipurwala – Professor of ENT, Bahria University, Karachi; Dr. Ali Faisal Saleem – Consultant, Infectious Diseases (Pediatrics); Dr. Syeda Saira Bukhari – Assistant Professor of Cardiology, Aga Khan University; Dr. Sadiha Pal – Consultant Gynecologist. The sessions explored critical challenges and emerging strategies in healthcare, inspiring dialogue and promoting innovative approaches for the future of medicine. Adding further depth, a panel of esteemed experts—including Professor Dr. Hassan Memon, Professor Dr. Qazi, and other notable academicians—enriched the discussions with their extensive experience and scholarly insight. This conference stands as a powerful reflection of the University of Modern Sciences' commitment to the United Nations Sustainable Development Goals, aligning most prominently with: SDG 17: Partnerships for the Goals. By bringing together national leaders, clinicians, researchers, and academic institutions, the event strengthened collaborative networks that are essential for advancing medical sciences and ensuring sustainable development in healthcare. Through such impactful initiatives, the University of Modern Sciences continues to build a strong foundation for collective progress, fostering partnerships that drive innovation, excellence, and societal well-being.

THE UNIVERSITY OF MODERN SCIENCES, CELEBRATING INCLUSIVITY AND EMPOWERMENT ON INTERNATIONAL DAY OF PERSONS WITH DISABILITIES

Dr. Muhammad Iqbal Memon, Chancellor and CEO of The University of Modern Sciences (TUMS) and Indus Medical College, attended the International Day of Persons with Disabilities event on December 3, 2024, as the Guest of Honour. Held at the Government Special Education and Rehabilitation Center, Tando Muhammad Khan, the event celebrated the resilience, creativity, and extraordinary talents of students with disabilities. Accompanied by Mr. Mohammad Nabeel Khan, Director QEC, Dr. Memon visited various stalls that showcased inspiring artwork, crafts, and projects created by the students. The program also featured heartfelt performances, including recitations, Naats, a magic show, and soulful singing—each reflecting the remarkable capabilities and confidence of the children. The Principal, Mr. Pir Niaz Sirhandi, warmly welcomed the distinguished guests and presented traditional Ajraks as a gesture of hospitality. A significant highlight of the event was the inauguration of a newly installed Hand Water Pump, enhancing the center's accessibility and improving essential facilities for the students and staff. In his address, Dr. Memon praised the dedication of the Principal, teachers, and staff, sharing an inspiring message: "Every individual, regardless of their abilities, holds immense potential to shine and make a difference. It is our collective duty to support and uplift them on their journey to success." The event concluded with the distribution of gifts among the students, filling the atmosphere with joy, encouragement, and hope.

SDG Alignment: SDG 10 – Reduced Inequalities This participation strongly reinforces TUMS's commitment to inclusivity, equal opportunities, and the empowerment of individuals with disabilities. By supporting such initiatives, the university upholds global efforts to reduce inequalities and create an inclusive society where everyone can thrive. Dr. Memon's presence served as a powerful reminder of the university's dedication to celebrating diversity, promoting dignity, and uplifting every individual—regardless of ability.

INDUS MEDICAL COLLEGE THE UNIVERSITY OF MODERN SCIENCES, ENHANCING ACADEMIC EXCELLENCE THROUGH PROACTIVE LEADERSHIP

Principal Professor Dr. Azhar Iqbal convened an important meeting to discuss the responsibilities and roles of **Year Coordinators** and **Module Coordinators** at Indus Medical College. The session focused on enhancing coordination, streamlining academic activities, and ensuring the consistent delivery of high educational standards across all programs. This proactive initiative reflects the strong academic leadership of **Dr. Azhar Iqbal** and the faculty's shared commitment to fostering excellence in teaching, curriculum management, and student learning outcomes. By strengthening internal governance mechanisms and refining academic processes, the institution continues to elevate the quality of its educational environment.

SDG Alignment: SDG 4 – Quality Education

This effort directly supports **Sustainable Development Goal 4**, which promotes inclusive, equitable, and high-quality education by improving planning, coordination, and academic effectiveness. Through such initiatives, Indus Medical College reaffirms its dedication to providing exceptional learning experiences and building a robust academic framework that empowers future healthcare professionals.

INDUS MEDICAL COLLEGE, THE UNIVERSITY OF MODERN SCIENCES, ADVANCING EXPERIMENTAL PHARMACOLOGY WITH POWER LAB TECHNOLOGY

The Pharmacology Department at Indus Medical College, The University of Modern Sciences (TUMS), hosted an insightful and hands-on workshop on Power Lab technology. The session emphasized the practical applications of Power Lab systems in pharmacological research, offering invaluable experience to both students and faculty members.

The workshop encompassed the following key areas:

- ✓ **Introduction to Power Lab systems and equipment**
- ✓ **Data collection techniques for pharmacological experiments**
- ✓ **Real-time analysis and interpretation of physiological data**
- ✓ **Application of Power Lab in experimental pharmacology**

This initiative demonstrates the university's commitment to fostering advanced research skills and aligns with Sustainable Development Goal 4 (Quality Education) by providing innovative learning opportunities. The event also highlights the institution's dedication to advancing scientific knowledge and equipping participants with cutting-edge technological expertise.

RESTORING SMILES: FREE SURGICAL CAMP FOR CHILDREN WITH CLEFT LIP AND PALATE AT INDUS MEDICAL COLLEGE HOSPITAL TUMS, SDG-03

Aligned with **Sustainable Development Goal 3: Good Health and Well-Being**, the University of Modern Sciences (TUMS) successfully hosted a two-day free surgical camp for children with cleft lip and palate at the Indus Medical College Hospital in collaboration with the Muskurahat Foundation Pakistan Trust. This initiative underscores TUMS's commitment to improving healthcare access for underprivileged children.

The camp was inaugurated by prominent officials, including Deputy Commissioner Tando Muhammad Khan, Mr. Shahzaib Shaikh; SSP Tando Muhammad Khan, Mr. Abid Ali Baloch; and MPA Tando Muhammad Khan, Mr. Syed Aijaz Hussain Shah Bukhari, alongside the Chief Executive and Chancellor of TUMS, Dr. Muhammad Iqbal Memon.

Under the expert guidance of renowned plastic surgeon Professor Dr. Muhammad Ashraf Ganatra, a dedicated team of 30 professionals—including surgeons, operating theater staff, nurses, psychologists, and social workers—delivered exceptional care. The surgeries not only restored smiles but also instilled renewed confidence in the children and their families.

The Muskurahat Foundation, known for its unwavering dedication, provided comprehensive support including surgeries, medications, and therapy, ensuring holistic care for affected children. The event concluded with scenes of joy and gratitude, reaffirming the belief that "Every child has the right to smile."

This noble initiative exemplifies TUMS's dedication to achieving global health equity and fostering community well-being. Let's amplify this cause—spread the word and support the mission!

STRENGTHENING ACADEMIA-INDUSTRY SYNERGY: MOU SIGNING BETWEEN TUMS AND ICMA PAKISTAN

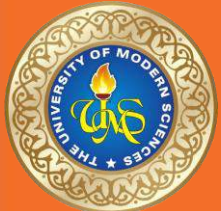

On December 14, 2024, under the visionary leadership of **Dr. Muhammad Iqbal Memon**, Chancellor, and **Prof. Dr. Feroz Memon**, Vice Chancellor, The University of Modern Sciences (TUMS) achieved a landmark milestone by signing a **Memorandum of Understanding (MoU)** with the **Institute of Cost and Management Accountants of Pakistan (ICMA Pakistan)**.

The signing ceremony, graced by notable dignitaries including **Mr. Shaham Ahmed**, Honorary Secretary of ICMA Pakistan, and **Mr. Mohammad Nabeel Khan**, Director of the Quality Enhancement Cell (QEC), marks the beginning of a transformative collaboration aimed at bridging the gap between academia and industry. This partnership focuses on combining resources and expertise to deliver cutting-edge opportunities in faculty development, innovative research, and professional training. The event was also attended by **Mr. Syed Usama Ali**, Manager IT, as a witness to this historic agreement.

Key outcomes of this partnership include:

- **Enhanced student opportunities** through certifications, advanced learning programs, and skill-building initiatives designed to prepare graduates for the competitive global job market.
- **Empowering faculty** with development programs that foster innovative teaching and research methodologies.
- **Strengthened academia-industry alignment** to produce graduates with practical skills and industry-relevant knowledge.

This strategic partnership exemplifies a bold step towards achieving the **Sustainable Development Goals (SDGs)**, particularly **Goal 4: Quality Education** and **Goal 9: Industry, Innovation, and Infrastructure**. By creating impactful synergies, TUMS and ICMA Pakistan aim to empower students, faculty, and professionals, driving meaningful contributions to academia and society at large.

BRIDGING EDUCATION AND EMPLOYMENT: TUMS AT ICMA INTERNATIONAL JOB FAIR AND EDUCATION EXPO 2024

Under the guidance of Dr. Muhammad Iqbal Memon, Chancellor of The University of Modern Sciences (TUMS), the institution actively participated in the ICMA International Job Fair and Education Expo 2024. Organized by ICMA in collaboration with the Sindh Technical Education and Vocational Training Authority (STEVTa), the event was held on December 14, 2024, at the Government College of Technology, Qasimabad, Hyderabad. The expo attracted a large number of job seekers and students eager to explore opportunities for higher education, skill development, and career advancement. The TUMS stall emerged as a center of attention, reflecting the university's commitment to career readiness, employability enhancement, and sustainable economic growth. Representing TUMS were: Prof. Dr. Parveen Munshi (Dean Academics) Mr. Mohammad Nabeel Khan (Director QEC) Mr. Syed Usama Ali (Manager IT) Ms. Noureen (Manager HR). The team engaged with visitors, providing detailed guidance on academic programs, professional development pathways, and career-building opportunities available at TUMS. Their active participation underscored the university's role in connecting students to market-driven skills and employment prospects. **SDG Alignment: SDG 8 – Decent Work and Economic Growth** This initiative directly supports Sustainable Development Goal 8, which promotes productive employment, skill development, and sustainable economic opportunities. By participating in job fairs and education expos, TUMS helps bridge the gap between education and the workforce, empowering youth with the knowledge and tools needed for meaningful employment and long-term career advancement. Through such engagements, TUMS reaffirms its mission to create pathways for personal growth, professional success, and economic empowerment, contributing to a stronger and more resilient future for its students.

1ST CONVOCATION OF INDUS COLLEGE OF NURSING, THE UNIVERSITY OF MODERN SCIENCES TANDO MUHAMMAD KHAN 2024 – A GRAND SUCCESS!

The University of Modern Sciences, Tando Muhammad Khan, proudly hosted the 1st Convocation of Indus College of Nursing at the Qazi Mazhar Hussain Auditorium. This landmark ceremony celebrated the academic accomplishments of 58 nursing graduates, marking a significant milestone in their professional journey as they step forward to contribute to the healthcare sector. The academic procession was led by esteemed dignitaries, adding prestige and honor to the event: Bilal Ahmed Memon – Commissioner, Hyderabad Division & Chief Guest, Professor Dr. Jan Muhammad A. Memon – Patron-in-Chief, PAPL & Guest of Honor, Dr. Muhammad Iqbal Memon – Chancellor, Professor Dr. Feroz Memon – Vice-Chancellor, Qazi Faiz Muhammad Talal – Pro Vice-Chancellor, Eng. Qamar Zaman Memon – Rector, Mr. Mushtaq Ally Qureshi – Registrar, Nawaz Ali G. Bhutto – Controller of Examinations. A special commendation was awarded to Miss Kanwal, who secured 1st position for her outstanding academic performance. Heartfelt appreciation was also extended to Chief Guest Mr. Bilal Ahmed Memon and Guest of Honor Prof. Dr. Jan Muhammad A. Memon for their gracious presence and support. This convocation symbolizes far more than a graduation ceremony—it represents the fulfillment of an educational mission rooted in excellence, skill development, and professional competency. **SDG Alignment: SDG 4 – Quality Education** The event strongly aligns with Sustainable Development Goal 4, which emphasizes ensuring inclusive and equitable quality education and promoting lifelong learning opportunities for all. By preparing qualified nursing graduates, strengthening academic standards, and fostering professional growth, the University of Modern Sciences continues to advance SDG 4 by equipping learners with the knowledge, skills, and values necessary to thrive in their careers and serve communities with distinction. Today marks the beginning of a promising future for these graduates—one shaped by dedication, compassion, and an unwavering commitment to excellence. 🎓💙

INAUGURATION OF THE ORTHOPAEDIC CAMP FOR SURGICAL TREATMENT OF LIMB DEFORMITIES AT INDUS MEDICAL COLLEGE HOSPITAL, TUMS

The inauguration of the Orthopedic Camp for the surgical treatment of limb deformities at Indus Medical College Hospital, Tando Muhammad Khan, marks a truly remarkable milestone in advancing community health and patient well-being. Supported by key dignitaries—**Commissioner Hyderabad Division Mr. Bilal Ahmed Memon, Deputy Commissioner Mr. Shazaib Shaikh, Chief Executive & Chancellor Dr. Muhammad Iqbal Memon, and Vice-Chancellor Professor Dr. Feroz Memon**—this initiative embodies a strong commitment to improving healthcare access and outcomes in the region, directly contributing to the objectives of **SDG 3: Good Health and Well-Being**.

Renowned orthopedic surgeons from across the globe, including **Dr. Amjad Gulzar (UK)** and **Dr. Waheed Akhbar (USA)**, joined hands with the dedicated orthopedic team at IMCH—**Professor Dr. Rehman Shaikh, Dr. Sikander Bhurgri, and Dr. Samad**—to provide advanced surgical care to patients in need. Their collective expertise and compassion have been central to the camp's success.

Thus far, **182 patients have successfully undergone surgery**, with around **50 more awaiting treatment**. Each procedure represents far more than medical intervention—it is a step toward restoring mobility, independence, and quality of life. This initiative is a powerful demonstration of how collaborative healthcare efforts can transform lives and uplift entire communities.

As this journey of healing continues, we extend heartfelt gratitude to every individual who contributed to this noble cause. Together, we are not just treating deformities—we are **restoring hope, dignity, and a brighter future** for countless families. ❤️

TUMS PARTICIPATION, STRENGTHENING HIGHER EDUCATION THROUGH COLLABORATIVE LEADERSHIP

🎓 The University of Modern Sciences' Participation at the 5th Rector's Conference 2024 🎓 Dr. Muhammad Iqbal Memon, Chancellor of The University of Modern Sciences (TUMS), participated in the 5th Rector's Conference 2024, held on 22–23 January 2025 at Serena Hotel and HEC Auditorium, Islamabad. The prestigious two-day conference was organized by the Association of Private Sector Universities of Pakistan (APSUP) and brought together national academic leaders to deliberate on the future of higher education, institutional collaboration, and policy alignment. Mr. Mohammad Nabeel Khan, Director QEC, also represented TUMS at the conference, contributing to discussions centered on academic quality, governance, and inter-university cooperation. The forum provided a valuable platform for dialogue, knowledge exchange, and strengthening partnerships across the higher education sector—reflecting the core spirit of SDG 17: Partnerships for the Goals. During the event, Dr. Muhammad Iqbal Memon actively engaged with fellow delegates and had the honor of presenting the traditional Sindhi Topi and Ajrak to the Former Governor of Punjab, Mr. Muhammad Baligh-ur-Rehman, and Chairman APSUP, Prof. Dr. Chaudhary Abdul Rehman, symbolizing cultural diplomacy and mutual respect among institutions. Through participation in such national-level forums, the University of Modern Sciences continues to strengthen collaborative networks, promote shared academic vision, and contribute meaningfully to collective efforts aimed at sustainable development through strong institutional partnerships.

IMCH TUMS, SUCCESSFULLY ORGANIZES A FREE CONSULTANT MEDICAL CAMP AT VILLAGE URS SAMOON, INAUGURATED BY UC SHAIKH FAREED

The Indus Medical College & Hospital, in collaboration with The University of Modern Sciences-TUMS, successfully organized a Free Consultant Medical Camp at Village Urs Samoon. The camp was inaugurated by UC Shaikh Fareed, marking a significant effort to extend healthcare services to rural areas. During the camp, patients received free consultations from expert physicians, surgeons, pediatricians, gynecologists, and dermatologists, ensuring access to quality healthcare for the local community. The initiative reflects the commitment to serving those in need and improving healthcare in underserved rural areas.

Aligned SDG Goal: Goal 3 - Good Health and Well-Being

This medical camp contributes directly to SDG Goal 3: Good Health and Well-Being, which aims to provide universal access to quality healthcare services and reduce health inequalities. By offering free consultations and specialized care, the initiative helps promote health and well-being in the rural communities.

FREE MEDICAL CAMP AT AL-SHIFA CLINIC, MATLI - IN COLLABORATION WITH INDUS MEDICAL COLLEGE, THE UNIVERSITY OF MODERN SCIENCE,

A **one-day free medical camp** was successfully organized at Al-Shifa Clinic, Matli, in collaboration with **Indus Medical College, The University of Modern Sciences-TUMS**. The camp primarily focused on **psychiatric and women's health issues**, addressing crucial health concerns within the community.

Renowned doctors, Dr. Sana Zain (Psychiatrist) and Dr. Sajida Munir (Consultant Gynecologist), offered their expert services, **examining over 200 patients** and providing **free medicines** to those in need. Their contributions ensured that the camp made a significant impact on the health and well-being of the participants.

A heartfelt **thank you** to the dedicated **medical team** and organizers for their efforts in **serving the community** and making this initiative a great success.

Aligned SDG Goal: Goal 3 - Good Health and Well-Being
This free medical camp strongly aligns with **SDG Goal 3: Good Health and Well-Being**, which aims to provide **universal access to healthcare** and reduce **health disparities**. By focusing on psychiatric and women's health issues, this initiative supports access to healthcare for all, particularly in underserved areas.

THE UNIVERSITY OF MODERN SCIENCES, ORGANIZE ORIENTATION DAY CEREMONY 2025 – A GRAND WELCOME TO OUR FUTURE LEADERS! 🎉

Today, The University of Modern Sciences-TUMS and Indus Medical College held a remarkable Orientation Day Ceremony, under the esteemed Chairmanship of Chief Executive & Chancellor Dr. Muhammad Iqbal Memon and Vice-Chancellor Professor Dr. Feroz Memon. This event marked the beginning of an exciting academic journey for our new students, providing them with an inspiring start to their educational experience.

We were honored by the presence of Patron-in-Chief of PAPL, Professor Dr. Jan Muhammad A. Memon, and Deputy Commissioner Tando Muhammad Khan, Mr. Shazaib Shaikh, who graced the occasion as Guests of Honor.

The event celebrated the beginning of an exciting academic journey for our students, motivating them to embrace **knowledge, professionalism, and excellence** in their respective fields. We extend our heartfelt congratulations and best wishes to all the students embarking on this new chapter of their lives.

Aligned SDG Goal: Goal 4 – Quality Education

This orientation ceremony reflects our commitment to **SDG Goal 4: Quality Education**, emphasizing the importance of providing accessible and inclusive education for all, fostering lifelong learning, and nurturing future leaders who will contribute to the development of society.

TUMS AND INDUS MEDICAL COLLEGE OBSERVE WORLD WATER DAY WITH SEPA, PROMOTING SUSTAINABLE WATER PRACTICES

The University of Modern Sciences-TUMS and Indus Medical College & Hospital observed World Water Day in collaboration with the Sindh Environmental Protection Agency (SEPA). The event focused on raising awareness about water conservation, sustainable usage, and addressing the global water crisis. Students, faculty members, and healthcare professionals actively participated in insightful discussions, awareness sessions, and educational activities that emphasized the critical importance of protecting this vital natural resource. This initiative directly contributes to SDG 6 (Clean Water and Sanitation) by promoting responsible water management practices, while also supporting SDG 13 (Climate Action) through environmental education and SDG 17 (Partnerships for the Goals) via the collaboration between academic institutions and government environmental agencies. The program successfully highlighted practical ways to conserve water in both healthcare and educational settings, reinforcing the institution's commitment to environmental sustainability. Participants collectively pledged to adopt water-saving measures in their daily lives and professional practices, recognizing that responsible water use is essential for healthy communities, a sustainable future, and planetary wellbeing. The event's location at these prominent educational and medical institutions in Sindh underscores the important role that universities and hospitals play in addressing environmental challenges and modeling sustainable behaviors for their communities.

TUMS & INDUS MEDICAL COLLEGE LAUNCH ONE-STOP BREAST CLINIC INITIATIVE

The University of Modern Sciences-TUMS and Indus Medical College Hospital hosted an inaugural seminar for their One-Stop Breast Clinic under the leadership of Chancellor Dr. Muhammad Iqbal Memon. The event featured Chief Guest Mr. Omer Aftab, a renowned business planning and innovation expert, and keynote speaker Dr. M. Ahsan Naseer (Manager Medical Affairs, PharmEvo Pvt. Ltd.), who delivered motivational insights on healthcare advancement. Dr. Adeeba Iqbal, Head of Radiology Department, presented the clinic's vision for comprehensive breast care and early detection services. This initiative directly supports SDG 3 (Good Health and Well-being) by improving access to specialized cancer diagnostics and treatment, while exemplifying SDG 17 (Partnerships for the Goals) through collaboration between medical professionals, pharmaceutical experts, and academic leaders. Principal Prof. Dr. Azhar Iqbal concluded the seminar by thanking all participants for their contributions to this important healthcare advancement. The One-Stop Breast Clinic represents TUMS's commitment to addressing critical women's health needs through integrated medical services, professional education, and community awareness programs. Located within the university's medical facilities, the clinic will serve as a regional hub for breast health services, combining diagnostic, therapeutic, and counseling services under one roof. This project aligns with Pakistan's national health priorities while demonstrating how academic medical institutions can develop targeted solutions for pressing healthcare challenges. The successful seminar has laid the foundation for future healthcare innovations at TUMS that combine medical expertise, technological advancement, and community engagement to improve health outcomes in Sindh and beyond.

TUMS VICE-CHANCELLOR ENGAGES IN GLOBAL DIABETES DIALOGUE AT IDF CONFERENCE

Professor Dr. Feroz Memon, Vice-Chancellor of The University of Modern Sciences-TUMS, recently represented the institution at the prestigious International Diabetes Federation (IDF) Conference. This participation underscores TUMS's dedication to SDG 3 (Good Health and Well-being) through engagement with cutting-edge diabetes research and treatment methodologies. The conference served as a global platform for sharing innovative approaches to diabetes management, prevention strategies, and healthcare policies, aligning with TUMS's mission to advance medical education and patient care standards. Dr. Memon's involvement also demonstrates the university's commitment to SDG 17 (Partnerships for the Goals) by fostering international academic collaborations and knowledge exchange in the field of endocrinology. As a leading medical academic institution in Pakistan, TUMS continues to bridge local healthcare challenges with global medical expertise, ensuring its faculty and students remain updated with worldwide developments in chronic disease management. The Vice-Chancellor's participation in this high-profile event will inform curriculum enhancements and research initiatives at TUMS, particularly in addressing Pakistan's growing diabetes epidemic. This international engagement reflects the university's strategic focus on combining global best practices with regional healthcare needs, while positioning TUMS as an active participant in worldwide efforts to combat non-communicable diseases. The knowledge gained from the IDF Conference will be implemented through TUMS's academic programs and clinical services, ultimately benefiting both medical students and patient communities across Pakistan.

TUMS CLAIMS NATIONAL DEBATE CHAMPIONSHIP VICTORY, ADVANCES TO ISLAMABAD NATIONALS

The University of Modern Sciences-TUMS has achieved a historic milestone by securing 1st Position in English Debate at the Pakistan Universities Debating Championship (PUDC) 2025, outperforming 70+ national universities. This triumph under Chancellor Dr. Muhammad Iqbal Memon and Vice-Chancellor Prof. Dr. Feroz Memon's leadership demonstrates TUMS's commitment to SDG 4 (Quality Education) through excellence in academic discourse and critical thinking development. The winning English Debate Team (Ms. Deepa, Ms. Areena Noman, Ms. Manisha) and Urdu Debate Team (Mr. Shoab Ahmed, Ms. Muskan Rizwan, Ms. Mahum Tanveer) showcased exceptional oratory skills at the HEC-organized competition hosted by NED University, Karachi on April 15, 2025. Their success advances TUMS to the National Round in Islamabad, reflecting SDG 17 (Partnerships) through inter-university collaboration. Director QEC Mr. Mohammad Nabeel Khan's strategic guidance as Focal Person was instrumental in this achievement, highlighting TUMS's institutional support for student development. This victory establishes TUMS as a rising force in Pakistan's academic landscape, proving its ability to nurture talent capable of competing at the highest national levels. The debate championship serves as a platform for youth empowerment and intellectual exchange, aligning with TUMS's mission to combine academic rigor with practical communication skills. As the teams prepare for nationals, this accomplishment reinforces the university's growing influence in shaping future leaders and critical thinkers who can articulate solutions to contemporary challenges through structured academic discourse.

TUMS CELEBRATES PUDC 2025 CHAMPIONS IN GRAND APPRECIATION CEREMONY

The University of Modern Sciences-TUMS honored its debate champions at a special appreciation ceremony on April 17, 2025, celebrating their historic victory at the Pakistan Universities Debating Championship (PUDC) organized by HEC. Under Chancellor Dr. Muhammad Iqbal Memon and Vice-Chancellor Prof. Dr. Feroz Memon's leadership, the English Debate Team (Ms. Deepa, Ms. Areena Noman, Ms. Manisha) received commemorative souvenirs and cash prizes of Rs100,000 each for securing 1st Position, while the Urdu Debate Team (Mr. Shoab Ahmed, Ms. Muskan Rizwan, Ms. Mahum Tanveer) was recognized for their passionate performance. This achievement aligns with SDG 4 (Quality Education) by demonstrating TUMS's commitment to developing critical thinking and communication skills, and SDG 17 (Partnerships) through national academic collaboration. Chancellor Memon praised the students for embodying the university's intellectual values, while Vice-Chancellor Memon highlighted the institutional support system that fostered their success. Director QEC Mr. Mohammad Nabeel Khan received special recognition for his mentorship. The ceremony concluded with team members sharing personal reflections about their debate journey, expressing gratitude to university leadership and HEC for providing this platform for academic excellence. As the English team prepares for Nationals in Islamabad, this event reinforced TUMS's growing reputation as an institution nurturing well-rounded scholars capable of excelling on national platforms.

TUMS VICE-CHANCELLOR SHARES EXPERTISE AT PRESTIGIOUS PSIM CONFERENCE

Professor Dr. Feroz Memon, Vice-Chancellor of The University of Modern Sciences-TUMS, recently participated as a distinguished panelist at the Pakistan Society of Internal Medicine (PSIM) Conference, contributing valuable insights on contemporary internal medicine topics. His involvement in these high-level discussions underscores TUMS's dedication to SDG 4 (Quality Education) through knowledge sharing and professional development in medical education. As a prominent academic leader, Dr. Memon's participation reinforced the university's commitment to SDG 17 (Partnerships for the Goals) by fostering collaboration between medical institutions and professional societies. The conference provided a platform for exchanging cutting-edge research and clinical practices, benefiting both TUMS's academic programs and the broader medical community. Dr. Memon's active engagement in such prestigious forums enhances the university's reputation as an institution that bridges academic medicine with practical healthcare advancements. This participation aligns with TUMS's strategic vision to maintain leadership in medical education while addressing Pakistan's evolving healthcare challenges. The Vice-Chancellor's contributions to the PSIM Conference demonstrate how TUMS faculty actively shape medical discourse nationally, bringing valuable insights back to enrich the university's curriculum and research initiatives for the benefit of students and patients alike.

TUMS STUDENTS CONDEMN INDIA'S SUSPENSION OF INDUS WATERS TREATY

The students of The University of Modern Sciences-TUMS strongly condemn India's aggressive move to suspend the Indus Waters Treaty, a unilateral action that violates international agreements and threatens regional stability. This historic treaty has served as a vital framework for water cooperation between Pakistan and India for decades. TUMS students recognize this development as a direct challenge to SDG 6 (Clean Water and Sanitation), which guarantees water access as a fundamental human right, and SDG 16 (Peace, Justice and Strong Institutions) by undermining established conflict resolution mechanisms. The university community stands united with Pakistan in opposing the politicization of water resources and calls upon the international community to address this injustice. As future leaders and professionals, TUMS students emphasize the importance of SDG 17 (Partnerships for the Goals) in maintaining transboundary water agreements that ensure equitable resource distribution. This stance reflects the university's commitment to fostering global citizenship among its students, encouraging them to advocate for fair and peaceful solutions to international disputes. The student body reaffirms its support for diplomatic resolutions that uphold Pakistan's water rights while maintaining regional harmony, in keeping with TUMS's values of justice, sustainability, and responsible global engagement.

THE UNIVERSITY OF MODERN SCIENCES, HOSTS ORAL CANCER AWARENESS SESSION WITH LEADING MAXILLOFACIAL SURGEON

Indus Medical College Hospital at The University of Modern Sciences-TUMS organized a crucial Oral Cancer Awareness Session featuring renowned Maxillofacial Surgeon Dr. Muhammad Ismail Memon. The event directly advanced SDG 3 (Good Health and Well-being) by educating participants about early signs, risk factors, and prevention strategies for oral cancer - a growing public health concern. Dr. Memon's expert presentation emphasized the life-saving importance of early detection, aligning with SDG 4 (Quality Education) through professional knowledge-sharing with medical students and faculty. This initiative demonstrates SDG 17 (Partnerships for the Goals) by bridging clinical expertise with academic training, fostering collaboration between healthcare professionals and future practitioners. The session empowered attendees to become oral health ambassadors in their communities, amplifying its impact beyond campus. TUMS continues to lead in preventive healthcare education, addressing Pakistan's non-communicable disease burden through such awareness programs. The university's commitment to combining medical education with public health advocacy was evident as students gained practical insights into cancer prevention and community medicine. This event reinforces TUMS's role in developing socially-responsible healthcare professionals equipped to tackle Pakistan's pressing health challenges. The knowledge shared will be multiplied as participants implement screening initiatives and awareness campaigns, creating ripple effects that support national health objectives and global sustainable development targets.

TUMS VICE-CHANCELLOR SHARES EXPERTISE ON ERECTILE DYSFUNCTION AT CCL PHARMA SEMINAR

Professor Dr. Feroz Memon, Vice-Chancellor of The University of Modern Sciences-TUMS, contributed as a distinguished panelist at a CCL Pharma-organized seminar on Erectile Dysfunction at Indus Hotel, Hyderabad. The event advanced SDG 3 (Good Health and Well-being) by gathering leading medical professionals to discuss cutting-edge diagnostic and treatment approaches for this prevalent men's health issue. Dr. Memon's clinical insights and emphasis on awareness and early intervention demonstrated TUMS's commitment to SDG 4 (Quality Education) through professional knowledge-sharing. His participation underscored SDG 17 (Partnerships for the Goals) by fostering collaboration between academic medicine and pharmaceutical innovation. The seminar addressed critical gaps in men's healthcare, with Dr. Memon's expertise highlighting the importance of destigmatizing sexual health discussions in medical practice. This engagement reflects TUMS's leadership in addressing sensitive health topics through evidence-based medicine while training future healthcare providers. The university's active involvement in such specialized medical dialogues enhances its reputation as an institution bridging clinical practice with academic excellence. By participating in industry-academia collaborations, TUMS continues to contribute meaningfully to Pakistan's healthcare landscape while ensuring its medical curriculum remains aligned with contemporary therapeutic advancements and patient care priorities in urology and men's health.

TUMS AWARDS PEEF SCHOLARSHIPS TO NURSING STUDENTS

The University of Modern Sciences-TUMS, through its Vice-Chancellor Professor Dr. Feroz Memon and the Nursing Director of Indus College of Nursing, distributed PEEF Scholarships to deserving nursing students. This initiative directly supports SDG 4 (Quality Education) by removing financial barriers to professional healthcare education. The scholarship program advances SDG 5 (Gender Equality) and SDG 10 (Reduced Inequalities) by empowering students from diverse socioeconomic backgrounds, particularly benefiting female candidates in this traditionally female-dominated field. Dr. Memon congratulated recipients on their academic dedication, emphasizing how their success contributes to strengthening Pakistan's healthcare system. The Nursing Director reinforced the institution's commitment to accessible education, highlighting how such financial support enables talented students to focus on becoming skilled healthcare providers. These scholarships represent TUMS's investment in developing a competent nursing workforce capable of addressing the nation's healthcare needs. By supporting nursing education through the Punjab Educational Endowment Fund (PEEF), TUMS demonstrates its alignment with both provincial educational priorities and global sustainable development goals. The event celebrated academic achievement while underscoring the university's role in creating equitable opportunities for professional development in the critical field of nursing, ultimately contributing to improved healthcare delivery nationwide.

TUMS WELCOMES PARAMEDICAL STUDENTS AT ORIENTATION DAY IN TUMS TMK

The University of Modern Sciences-TUMS hosted an Orientation Day for its new paramedical students at its Tando Muhammad Khan campus under the leadership of Chancellor Dr. Muhammad Iqbal Memon. This welcoming event supports SDG 4 (Quality Education) by introducing students to their academic journey in medical sciences and the university's learning environment. The orientation program also contributes to SDG 3 (Good Health and Well-being) by preparing future healthcare professionals who will serve community medical needs. Chancellor Memon emphasized the institution's commitment to developing skilled, compassionate paramedical staff through rigorous training and practical experience. The event familiarized students with campus facilities, academic expectations, and professional standards in emergency medical services, laboratory technology, and other critical healthcare support fields. By investing in paramedical education, TUMS addresses Pakistan's growing need for trained healthcare technicians while providing valuable career opportunities for youth. The orientation highlighted the university's student-centered approach to medical education and its vision of creating competent healthcare teams. These students will become essential contributors to patient care systems, working alongside physicians and nurses to improve health outcomes. TUMS reaffirms its dedication to excellence in allied health education through such initiatives that combine theoretical knowledge with hands-on training, ultimately strengthening the nation's healthcare workforce.

TUMS ATHLETES COMPETE WITH EXCELLENCE AT SINDH SPORTS OLYMPIAD 2025

Under the leadership of Chancellor Dr. Muhammad Iqbal Memon and Vice-Chancellor Prof. Dr. Feroz Memon, The University of Modern Sciences-TUMS proudly participates in the Sindh Sports Olympiad 2025 at IBA Sukkur from May 6-9. This sporting event advances SDG 3 (Good Health and Well-being) by promoting physical activity among youth, while supporting SDG 4 (Quality Education) through holistic student development that combines academics with athletics. The university's participation, featuring teams in cricket, football, chess, and badminton, also contributes to SDG 5 (Gender Equality) by providing equal opportunities for male and female athletes. Sports Manager Mr. Mohammad Ghous Nawaz and Trainer Mr. Muzamil Talpur accompany the teams, ensuring professional guidance throughout the competitions. Director Sports Mustuaan Ahmed Memon's dedicated efforts in preparing the athletes reflect TUMS's institutional commitment to sporting excellence. The Olympiad serves as a platform for students to demonstrate sportsmanship, teamwork, and competitive spirit while representing their university. Such initiatives align with TUMS's vision of nurturing well-rounded graduates who excel both academically and in extracurricular domains. The university community extends its full support to all participating athletes, celebrating their dedication and the values of fair play they embody. This event marks another milestone in TUMS's efforts to develop a vibrant sports culture that complements its academic mission and contributes to building healthier, more balanced future professionals.

TUMS STANDS FOR PEACE: UNIVERSITY CONDEMNS REGIONAL AGGRESSION

Under the leadership of Chancellor Dr. Muhammad Iqbal Memon and Vice-Chancellor Prof. Dr. Feroz Memon, The University of Modern Sciences-TUMS organized a peaceful protest against India's aggressive actions under Prime Minister Narendra Modi. This demonstration aligns with SDG 16 (Peace, Justice and Strong Institutions) by advocating for conflict resolution and condemning violence that threatens regional stability. The university's stance also reflects SDG 17 (Partnerships for the Goals) through its call for international cooperation to mediate tensions. As an academic institution committed to human welfare, TUMS emphasized that war only brings suffering and division, undermining educational progress and social development. The protest highlighted the university's role as a voice for reason and dialogue in times of crisis, urging global powers to prioritize diplomacy over destruction. By mobilizing its academic community for this peaceful demonstration, TUMS demonstrated how educational institutions can contribute to conflict prevention and peacebuilding efforts. The event reinforced the university's commitment to fostering global citizenship among students while maintaining its dedication to Pakistan's sovereignty and security. TUMS continues to advocate for solutions that protect human rights and preserve opportunities for cross-border academic collaboration, even amid political tensions, believing that education remains a powerful tool for bridging divides and creating mutual understanding between nations.

CHAMPIONING TEAM SPIRIT AND HOLISTIC DEVELOPMENT: TUMS'S TRIUMPH AT ALL SINDH SPORTS OLYMPIAD 2025

The University of Modern Sciences (TUMS) has demonstrated its commitment to SDG 3 (Good Health and Well-being) and SDG 4 (Quality Education) by securing 2nd position in the fiercely competitive Tug of War event at the All Sindh Sports Olympiad 2025. Held at Sukkur IBA University from 6-9 May 2025, this achievement highlights TUMS's dedication to fostering physical fitness, teamwork, and leadership alongside academic rigor. Under the visionary leadership of Chancellor Dr. Muhammad Iqbal Memon and Vice Chancellor Prof. Dr. Feroz Memon, the university cultivates a culture where sportsmanship and holistic development thrive. The Men's Tug of War team exemplified resilience and unity, triumphing over strong contenders from across Sindh—a testament to TUMS's investment in student well-being and extracurricular excellence.

Special recognition goes to Mr. Muhammad Ghous Nawaz (Sports Manager), Mr. Muzamil Talpur (Trainer), and Mr. Mustuaan Ahmed Memon (Director Sports) for their strategic guidance and unwavering support. Their efforts ensured the team's peak performance, reflecting TUMS's institutional commitment to sustainable health practices (SDG 3) and balanced education (SDG 4). As the TUMS community celebrates this milestone, we extend our best wishes to all athletes competing in upcoming events, reinforcing our belief that true education nurtures both mind and body.

ADVANCING GLOBAL HEALTH: TUMS OBSERVES WORLD LIPID DAY 2025

The University of Modern Sciences (TUMS), through its Department of Medicine & Allied at Indus Medical College Hospital, marked World Lipid Day 2025 with an impactful event dedicated to raising awareness about lipid disorders and cardiovascular health. Under the esteemed leadership of Chancellor Dr. Muhammad Iqbal Memon and Vice-Chancellor Prof. Dr. Feroz Memon, the program brought together medical experts, students, and healthcare professionals to address critical issues in lipid management and preventive care.

The event featured Prof. Dr. Abdul Rasheed from Abbasi Shaheed Hospital as the Chief Guest, alongside an enlightening session by Prof. Dr. Ghulam Hussain Baloch, who emphasized the link between lipid disorders, heart disease, and preventive healthcare strategies. Attendees gained valuable insights into early diagnosis, lifestyle modifications, and the importance of regular health screenings—key steps in combating non-communicable diseases (NCDs).

This initiative underscores TUMS's commitment to SDG 3 (Good Health and Well-being) by promoting medical education, public health awareness, and community well-being. By fostering dialogue on preventive healthcare, the university continues to play a pivotal role in shaping a healthier future, aligning with global efforts to reduce cardiovascular disease burdens.

FORGING GLOBAL PATHWAYS IN MEDICAL EDUCATION: THE UNIVERSITY OF MODERN SCIENCES, EXPANDS INTERNATIONAL COLLABORATION

The University of Modern Sciences (TUMS) continues to strengthen its global academic footprint through strategic partnerships, as demonstrated by the recent virtual meeting between Mr. Mohammad Nabeel Khan, Director QEC, and Ms. Shwetha S Chetty of Metropolitan University College of Medicine (MUCM), Antigua and Barbuda. This engagement, initiated during GETEX 2025 in Dubai, marks a significant step toward fostering international academic cooperation (SDG 17: Partnerships for the Goals) and advancing quality education (SDG 4).

Discussions centered on student exchange programs, faculty collaboration, and joint research initiatives in medical education, aligning with TUMS's vision to enhance cross-cultural learning and innovation. Such partnerships not only broaden academic horizons but also empower students and researchers to address global health challenges through shared knowledge and resources.

By cultivating these international linkages, TUMS reinforces its commitment to educational excellence and sustainable development, ensuring its community remains at the forefront of global medical education and research.

RAISING AWARENESS, SAVING LIVES: TUMS LEADS HYPERTENSION PREVENTION EFFORTS ON WORLD HYPERTENSION DAY 2025

Marking World Hypertension Day 2025, The University of Modern Sciences (TUMS) demonstrated its commitment to public health advocacy through a Press Conference at Hyderabad Press Club, attended by esteemed Vice-Chancellor Prof. Dr. Feroz Memon. The event spotlighted hypertension as a silent yet deadly global health crisis, emphasizing the critical need for early detection, lifestyle changes, and regular health monitoring to combat this preventable condition.

Prof. Dr. Feroz Memon underscored the rising prevalence of hypertension in local communities, calling for united action among healthcare professionals, media, and the public to promote heart health literacy and preventive care. His address reinforced TUMS's dedication to SDG 3 (Good Health and Well-being) by bridging medical expertise and community engagement to reduce non-communicable disease burdens.

The conference served as a rallying cry for individual and collective responsibility, urging attendees to "Know your numbers, control your pressure, and live longer." Through such initiatives, TUMS continues to drive health education, policy awareness, and sustainable wellness practices, empowering society to build a healthier, hypertension-free future.

ADVANCING MEDICAL EDUCATION: TUMS STUDENTS EXCEL IN CLINICO-PATHOLOGICAL CONFERENCE ON CHOLELITHIASIS

The Department of Surgery & Allied at The University of Modern Sciences (TUMS) recently organized an insightful Clinico-Pathological Conference (CPC) on Cholelithiasis, demonstrating the institution's commitment to excellence in medical education (SDG 4: Quality Education) and healthcare advancement (SDG 3: Good Health and Well-being). Under the esteemed guidance of Chancellor Dr. Muhammad Iqbal Memon, Vice-Chancellor Prof. Dr. Feroz Memon, and Prof. Dr. Ghafoor Dalwani, the conference showcased the exceptional capabilities of final-year MBBS students, who presented comprehensive analyses of clinical insights, diagnostic techniques, and management strategies for this prevalent condition.

This academic initiative not only enhanced students' clinical knowledge and critical thinking skills but also fostered a collaborative learning environment, preparing future healthcare professionals to tackle complex medical challenges. By integrating theory with practical case discussions, TUMS continues to bridge the gap between academic training and real-world medical practice, ensuring graduates are equipped to deliver patient-centered, evidence-based care.

Such conferences underscore TUMS's dedication to innovative medical education and its role in shaping competent, compassionate physicians ready to address global health needs.

CHAMPIONING CARDIOVASCULAR HEALTH: TUMS VICE-CHANCELLOR SPEAKS AT WORLD HYPERTENSION DAY 2025

The University of Modern Sciences (TUMS) proudly marked World Hypertension Day 2025 through the distinguished participation of Vice-Chancellor Prof. Dr. Feroz Memon as Chief Guest and Speaker at Dow University of Health Sciences (DUHS), Karachi. This significant engagement underscores TUMS's commitment to advancing global health priorities (SDG 3: Good Health and Well-being) and fostering academic leadership in public health.

In his keynote address, Dr. Memon illuminated the growing hypertension crisis in Pakistan, stressing the critical need for preventive healthcare strategies, including early screening, lifestyle interventions, and community education. His expertise highlighted TUMS's dedication to translating medical knowledge into actionable solutions that address national health challenges.

This collaboration with DUHS reflects TUMS's proactive role in health advocacy partnerships, amplifying awareness about non-communicable diseases and inspiring future healthcare professionals to prioritize preventive care. We commend DUHS for hosting this vital dialogue and celebrate Dr. Memon's leadership in positioning TUMS as a catalyst for health innovation and societal well-being.

ELEVATING ACADEMIC EXCELLENCE: TUMS HOLDS INAUGURAL INSTITUTIONAL QUALITY CIRCLE MEETING

The University of Modern Sciences (TUMS) and Indus Medical College marked a significant milestone with their 1st Institutional Quality Circle (IQC) Meeting, chaired by Honorable Chancellor Dr. Muhammad Iqbal Memon and co-chaired by Vice-Chancellor Prof. Dr. Feroz Memon. This pivotal gathering underscored TUMS's commitment to quality education (SDG 4) and innovation in higher education (SDG 9) through the implementation of rigorous quality assurance mechanisms.

Mr. Mohammad Nabeel Khan, Director QEC, presented the PSG-2023 framework, developed by HEC's Quality Assurance Agency (QAA) with input from QAA-UK, outlining its alignment with TUMS's academic vision. The meeting emphasized the adoption of RIPE and PREE quality mechanisms, focusing on stakeholder engagement, continuous quality improvement (CQI), and the critical Program Review for Effectiveness and Enhancement (PREE) process.

With Program Teams nominated across departments to develop Self-Assessment Reports (SARs), TUMS is poised to strengthen its academic programs and institutional effectiveness. The leadership's strategic directives reinforce TUMS's dedication to excellence, accountability, and sustainable growth in higher education.

PROMOTING HEART HEALTH: TUMS LEADS HYPERTENSION AWARENESS INITIATIVE

The Cardiology Department of Indus Medical College Hospital, in collaboration with the Hypertension Awareness and Managing Initiative (HAMI), organized a impactful World Hypertension Day Awareness Program, demonstrating The University of Modern Sciences' (TUMS) commitment to SDG 3: Good Health and Well-being. Under the visionary leadership of Chancellor Dr. Muhammad Iqbal Memon, a staunch advocate for preventive healthcare, and Vice-Chancellor Prof. Dr. Feroz Memon, the event emphasized the critical importance of hypertension awareness, early detection, and lifestyle management in preventing cardiovascular diseases.

Prof. Dr. Feroz Memon welcomed attendees and highlighted how simple measures like regular monitoring and dietary changes can significantly reduce risks of heart attacks, strokes, and kidney disease. The program featured an enlightening keynote by renowned cardiologist Prof. Dr. Khawar Kazmi (NICVD Karachi), who shared expert insights on hypertension causes, management, and prevention strategies, resonating with both medical professionals and the public.

A highlight of the event was the free blood pressure screening camp, offering vital health checks to patients and attendees, reinforcing TUMS's mission to bridge medical knowledge with community action. Through such initiatives, TUMS continues to champion preventive healthcare, empowering individuals to "Know Your Numbers" and take control of their heart health.

ADVANCING EMERGENCY MEDICAL EXCELLENCE: TUMS CONDUCTS BLS & ACLS

The University of Modern Sciences (TUMS) and Indus Medical College & Hospital successfully launched a comprehensive Basic Life Support (BLS) and Advanced Cardiovascular Life Support (ACLS) Workshop, reinforcing their commitment to SDG 3 (Good Health and Well-being) and SDG 4 (Quality Education). This intensive Day-1 training, conducted under the visionary leadership of Chancellor Dr. Muhammad Iqbal Memon, equipped faculty and clinical staff with critical life-saving skills, including CPR, airway management, cardiac arrest protocols, and team-based emergency response.

The hands-on workshop emphasized evidence-based practices and interprofessional collaboration, ensuring participants are prepared to deliver high-quality patient care in critical situations. Successful candidates will receive American Heart Association (AHA)-approved certifications, validating their expertise on an internationally recognized platform.

By investing in cutting-edge clinical training, TUMS continues to elevate healthcare standards, fostering a culture of excellence, preparedness, and lifelong learning among medical professionals. This initiative underscores our dedication to saving lives and advancing medical education in alignment with global health priorities.

ADVANCING EMERGENCY CARDIAC CARE: TUMS CONCLUDES INTENSIVE ACLS TRAINING

The University of Modern Sciences (TUMS) and Indus Medical College Hospital successfully completed Day 2 of the Advanced Cardiovascular Life Support (ACLS) Workshop, marking a significant milestone in clinical skills development (SDG 4: Quality Education) and emergency healthcare capacity (SDG 3: Good Health and Well-being). Under the leadership of Chancellor Dr. Muhammad Iqbal Memon and Vice-Chancellor Prof. Dr. Feroz Memon, participants engaged in high-fidelity megacode simulations, tackling complex emergency scenarios to refine their team-based response, clinical decision-making, and life-saving interventions.

The rigorous training, led by expert instructors Dr. Irfan (Dow University of Health Sciences) and Dr. Asif (Peoples University of Medical & Health Sciences), included:

- ✓ Hands-on skill assessments to evaluate individual proficiency
- ✓ Written examinations testing theoretical knowledge
- ✓ Realistic cardiac emergency drills mirroring clinical environments

With participants now equipped to manage cardiac arrests, stroke alerts, and other critical events, this workshop underscores TUMS's commitment to excellence in medical education and patient care. The AHA-certified training ensures internationally recognized standards, empowering healthcare professionals to save lives with confidence.

EMPOWERING FUTURE HEALTH LEADERS: TUMS PARTNERS WITH PAKISTAN HEALTH PARLIAMENT TO ESTABLISH STUDENT ADVOCACY CHAPTER

In a landmark virtual ceremony on May 22, 2025, The University of Modern Sciences (TUMS) solidified its commitment to health leadership development by signing a Memorandum of Understanding (MoU) with Pakistan Health Parliament (PHP). This strategic alliance, established under the visionary leadership of Chancellor Dr. Muhammad Iqbal Memon and Vice-Chancellor Prof. Dr. Feroz Memon, creates the TUMS Chapter of PHP – a platform designed to nurture student advocacy, public health research, and community engagement (SDG 3: Good Health & Well-being).

The agreement, signed by Mr. Sikandar Zaman (Chairman, PHP) and Mr. Mohammad Nabeel Khan (Director QEC, TUMS), empowers medical students like Mr. Mohammad Shoaib (Founding President, 3rd Year MBBS) to lead initiatives that:

- ✓ Promote health awareness through campaigns and policy dialogues
- ✓ Develop leadership skills via mentorship and national forums
- ✓ Drive community-based interventions addressing Pakistan's pressing health challenges

As a semi-independent body, the TUMS Chapter will operate under PHP's umbrella while fostering student-led innovation (SDG 4: Quality Education). This partnership exemplifies SDG 17 (Partnerships for the Goals), bridging academia and policymaking to cultivate socially responsible healthcare professionals and accelerate national progress.

CULTIVATING PREVENTIVE HEALTHCARE LEADERS: TUMS OBSERVES WORLD HYPERTENSION DAY WITH FUTURE PHYSICIANS

Marking World Hypertension Day, Vice-Chancellor Prof. Dr. Feroz Memon engaged 1st Year MBBS students at The University of Modern Sciences (TUMS) / Indus Medical College in a dynamic session underscoring the global hypertension crisis and physicians' role in preventive healthcare (SDG 3: Good Health & Well-being).

The interactive dialogue focused on:

- ✓ Early Detection: Emphasizing hypertension's "silent killer" nature and screening importance
- ✓ Lifestyle Interventions: Addressing diet, exercise, and stress management as first-line defenses
- ✓ Medical Advocacy: Inspiring students to become community health educators

Through case discussions and Q&A, future doctors explored:

Blood pressure monitoring techniques

Public health strategies for disease prevention

Their evolving role as patient educators

This initiative aligns with TUMS's mission to blend clinical excellence with community responsibility, fostering patient-centered physicians equipped to tackle Pakistan's non-communicable disease burden.

ADVANCING WOMEN'S HEALTH: TUMS CONDUCTS CLINICO-PATHOLOGICAL CONFERENCE ON GYNECOLOGY & OBSTETRICS

The Department of Gynecology and Obstetrics at The University of Modern Sciences (TUMS) successfully organized an insightful Clinico-Pathological Conference (CPC), reinforcing the institution's commitment to maternal health (SDG 3: Good Health & Well-being) and medical education excellence (SDG 4: Quality Education). Held under the leadership of Chancellor Dr. Muhammad Iqbal Memon, Vice-Chancellor Prof. Dr. Feroz Memon, and HOD Prof. Dr. Firdous Mumtaz, the event showcased:

- ✓ Case-Based Learning: Detailed presentations on complex gynecological and obstetric cases
- ✓ Evidence-Based Discussions: Faculty and students collaborated on diagnostic approaches and treatment protocols

- ✓ Clinical Decision-Making: Interactive sessions to bridge theoretical knowledge with practical application

This academic initiative:

Strengthens patient-centered care competencies

Fosters interdisciplinary collaboration

Prepares future physicians to address Pakistan's maternal health challenges

By integrating case analysis with clinical practice, TUMS continues to elevate women's healthcare standards while cultivating the next generation of skilled obstetricians and gynecologists.

ELEVATING HYPERTENSION CARE: TUMS VICE-CHANCELLOR ADVANCES EXPERTISE AT INTERNATIONAL TRAINING

Vice-Chancellor Prof. Dr. Feroz Memon of The University of Modern Sciences (TUMS) participated in the prestigious International Society of Hypertension (ISH) module course, organized in collaboration with the Pakistan Hypertension League (PHL) in Sehwan. This engagement underscores TUMS's dedication to global health standards (SDG 3: Good Health & Well-being) and international academic partnerships (SDG 17: Partnerships for the Goals).

The specialized training:

- ✓ Featured cutting-edge protocols in hypertension diagnosis and management
- ✓ Strengthened academic-clinical linkages for cardiovascular care
- ✓ Demonstrated TUMS leadership in adopting global best practices

Prof. Memon's participation reflects:

Institutional commitment to faculty development
Active contribution to Pakistan's NCD response
Bridging of international knowledge with local healthcare needs

This initiative reinforces TUMS's role in shaping health leaders equipped to address Pakistan's hypertension burden through evidence-based, collaborative approaches.

CELEBRATING NATIONAL PRIDE: TUMS COMMEMORATES YOUM-E-TAKBEER

The University of Modern Sciences (TUMS) and Indus Medical College proudly join the nation in commemorating Youm-e-Takbeer, the historic day of May 28, 1998, when Pakistan emerged as a nuclear power following the successful tests at Chagai, Balochistan. This defining moment symbolizes national sovereignty, institutional strength, and a commitment to safeguarding peace and stability. Youm-e-Takbeer stands as a testament to strong national institutions, responsible leadership, and strategic decision-making, reinforcing the principles of SDG 16: Peace, Justice, and Strong Institutions. It reflects Pakistan's resolve to maintain regional stability through resilience, unity, and disciplined governance. TUMS pays tribute to the scientists, armed forces, and leadership whose dedication strengthened the foundations of national security and institutional integrity. Inspired by this legacy, the university continues to promote responsible citizenship, ethical leadership, and a culture of peace—values essential for a stable and just society. From Chagai's resolve to our classrooms, we carry forward the spirit of strength, responsibility, and national unity.

ELEVATING HEALTHCARE STANDARDS: TUMS HOSTS LANDMARK SESSION ON QUALITY PATIENT CARE

The University of Modern Sciences (TUMS) took a significant stride in advancing healthcare excellence by hosting an Awareness Session on Quality Patient Care, featuring Dr. Ahsan Qavi Siddique, CEO of Sindh Healthcare Commission (SHCC). This pivotal event, organized under the leadership of Chancellor Dr. Muhammad Iqbal Memon and Vice-Chancellor Prof. Dr. Feroz Memon, brought together healthcare leaders and institutions to reinforce patient safety protocols and quality standards (SDG 3: Good Health & Well-being).

Key Highlights:

- ✓ Expert Insights: Dr. Siddique emphasized evidence-based practices, patient-centric care, and institutional accountability
- ✓ Regional Collaboration: Participation from premier hospitals like Isra University Hospital, AIMS, Hashim Medical City, and DHQ TMK, fostering knowledge-sharing (SDG 17: Partnerships)
- ✓ SHCC Partnership: Active engagement of the Regional SHCC Team (Hyderabad) to align policies with national healthcare goals

Why It Matters:

Strengthens clinical governance and ethical care delivery
Prepares future healthcare providers to prioritize patient safety
Unites institutions under a shared vision for quality improvement
TUMS remains committed to transforming healthcare education and practice—because every patient deserves exceptional, compassionate care.

TUMS STRENGTHENS GLOBAL PARTNERSHIPS – ADVANCING SDG 17 AT ICESCO VICE CHANCELLORS' FORUM 2025

Chancellor Dr. Muhammad Iqbal Memon proudly represented The University of Modern Sciences (TUMS) at the prestigious 6th ICESCO Vice Chancellors' Forum, held on June 23-24, 2025 in Rabat, Morocco. The global gathering brought together **over 150 education leaders, ministers, and policymakers** from across the Islamic world to discuss the future of higher education under the theme *"Reimagining Higher Education in the Islamic World: Innovation, Sustainability & Global Impact."* Aligned with **SDG 17: Partnerships for the Goals**, Dr. Muhammad Iqbal Memon remained actively engaged throughout the forum, building strong international linkages and exploring opportunities for collaborative research, academic exchange, and institutional development. His dynamic participation highlighted TUMS's expanding influence on the global academic stage and its commitment to excellence, innovation, and internationalization.

👉 As a major outcome of these strategic engagements, **multiple MoUs were signed** with universities from various countries, paving the way for **faculty exchanges, student mobility programs, joint research initiatives, and global academic partnerships**. These new alliances mark a significant milestone in TUMS's journey toward becoming a globally connected, future-driven university.

**17 PARTNERSHIPS
FOR THE GOALS**

TUMS SHINES AGAIN! CONGRATULATIONS ON SECURING A DISTINGUISHED POSITION IN THE WORLD UNIVERSITY RANKINGS!

The University of Modern Sciences (TUMS) proudly announces its remarkable performance in the UI GreenMetric World University Rankings 2025, reflecting its strong commitment to SDG 13: Climate Action through sustainable campus practices and environmental stewardship.

 **611th Worldwide**

PK 28th in Pakistan

 **5th in Sindh**

This prestigious recognition underscores TUMS's sustained efforts toward promoting environmental responsibility, climate-conscious policies, and green institutional development, in alignment with global sustainability benchmarks.

The Worthy Chancellor, Dr. Muhammad Iqbal Memon, and the Honorable Vice Chancellor, Prof. Dr. Feroz Memon, extend their sincere appreciation to the Directorate of Quality Enhancement Cell (QEC), dedicated faculty members, and administrative staff. Their strategic planning, teamwork, and unwavering commitment have been instrumental in achieving this international distinction.

Together, TUMS continues to lead the way in advancing climate action, nurturing a greener campus, and contributing meaningfully to a more sustainable future.
